#### **Insurances and National Requirements:**

Equestrian sports involve inherent dangerous risks. To the greatest extent permitted by law, the FEI, the AEF and the Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

#### **Athletes, Owners and Support Personnel**

##### (a) Personal Accident and Health Insurance

It is Athletes, Owners and Support Personnel's responsibility to ensure that they have adequate personal accident insurance in place to cover their participation

at the Event and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at the Event.

The Athletes, Owners and Support Personnel should check with their National Federation to confirm if their National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when they are attending/participating in the Event.

If their National Federation does not have a personal accident/health insurance policy or if the National Federation/NOC's insurance policy does not cover personal accident or health claims, then they should obtain their own personal accident and health insurance policy to cover their attendance/participation at the Event.

#### (b) Personal Property Insurance

The Athletes, Owners and Support Personnel should also ensure that they are insured against property loss, theft or damage which may occur at the Event.

Again, the advice is to check with their National Federation to confirm if they have an insurance policy in place which would cover them in case of such property loss, theft or damage. If not, then they should obtain their own personal property insurance to cover such situations.

### **Athletes and Owners**

#### Third Party Liability Insurance

The Athletes and Owners are personally responsible for damages to third parties caused by them, their employees, Support Personnel, their agents or their Horses. They are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to the Event and to keep the policy up to date.

The AEF, the FEI and the Organiser will NOT be responsible for any damage caused to third parties by the Athletes and Owners, their employees, Support Personnel, their agents or their Horses.

### **Horse Insurance**

Owners should ensure that their Horses are adequately insured against any

injuries or illnesses they may sustain while participating at the Event.

#### **14. Victory Ceremony**

The best three competitors of each event are awarded with gold medal, silver medal and bronze medal. The horse and competitors are ushered in by relevant competition staff and get to the waiting area properly 15 minutes before the Victory Ceremony, and afterwards present a lap of honour to the audience.
